Designer

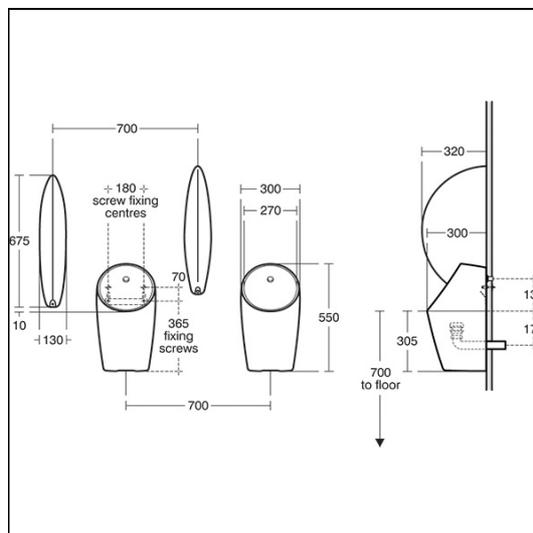

Robin Levien, RDI

Standards

BS EN 13407

Special Notes

Please ensure that pipework is adequately vented with waterless urinals to ensure they function correctly. Cartridges last approximately 7500 uses. Odour block fades over time and helps indicate when cartridge needs changing. The waste can be accessed from the top with an easy to use service key. Hangers, waterless waste pack with service key and spreader cap all included.
