- Easy refilling process with key locked mounting system
- 700ml storage tank to service high demand environments
- Mounting bracket & fixings supplied

Model: **MDA700S**
Code: **114-1149**

STAINLESS STEEL AUTOMATIC GEL & SOAP DISPENSER

+MEDICHIEF™

making the world a safer place

Stainless steel design with infrared sensor technology.

Constructed from brushed stainless steel, this stylish wall-mounted gel & soap dispenser is designed to fit in to any environment and provide an efficient, tamper-proof solution for hand cleaning.

The dispenser is automatically operated, with an adjustable dosage volume, ensuring efficient usage of hand gel or soap

Due to its anti-tamper hinged lid, the dispenser can easily be refilled and maintained. The lid is key-locked and can be quickly opened to provide access to the internal tank for refilling or maintenance.
