KG01 Toilet Tissue Dispenser

Anti-ligature Disclaimer

Anti-ligature Disclaimer The anti-ligature design characteristics of this product are not intended to replace or substitute the need for necessary supervision of those who may be at risk, or for other necessary protective measures to be taken in the specific circumstances of usage. Kingsway Group, Inc. does not offer any products for sale as being 'ligature-free' and will not be liable for any claims arising from ligature attachment on its products. It is the customer's responsibility to ensure that products purchased and installed are suitable for the environments they are installed in.

The Kingsway toilet tissue dispenser is a secure locking unit that is easy to install and maintain. Made from 316 grade stainless steel it is highly durable against corrosion and abuse. Anti-ligature by design it has a shaped top with smooth edges making it suitable for the most challenging environments. Unit is designed for toilet tissue sheets.

Installation Description

- Mark out the location of the dispenser
- Drill and plug holes to a suitable depth
- Secure the dispenser to the wall using the security screws provided

We recommend that you caulk around all sides with tamper proof security sealant

Operation and Maintenance

Operation

To load the dispenser unlock the front door and load tissues on to the shelf.

Maintenance

Care should be taken to ensure that the lock remains functional and free from signs of damage.

Cleaning

Use only a damp cloth to clean the dispenser, where necessary a mild detergent can be used.

Guarantee
