UNIQUE SOLUTIONS

Today DELABIE is an international Group well known for its ability to meet the needs of public and commercial places.

DELABIE's products, which deliver water savings and provide tangible solutions in terms of hygiene, accessibility, safety and vandal resistance, are renowned for their reliability and durability.

AN OUTSTANDING OFFERING

As a long standing partner of public, commercial and healthcare stakeholders, DELABIE has an offering that comprises five product ranges which meet the needs of each and every customer and specifier:

- Water Controls for Public and Commercial Places
- Water Controls for Healthcare Facilities
- Accessibility and Hygienic Accessories
- Stainless Steel Sanitary Ware
- Specialist Water Controls

AN INTERNATIONAL PRESENCE

Experiencing very strong growth over the past ten years, the French DELABIE Group exports to more than 90 countries from its production site in Friville in France, and through its subsidiaries in the United Kingdom, Benelux, Germany, Austria, Poland, Spain, Portugal, United Arab Emirates (Dubai) and China (Hong Kong).

DELABIE water controls and equipment are installed wherever quality is essential. This presence is possible through the brand's conformance with most international standards, as well as the relevant standards in each country. Find more DELABIE installations by destination and country on our website: www.delabie.co.uk.

MANUFACTURER'S EXPERTISE

An industrial enterprise from the very outset, DELABIE has kept total control of the manufacture of its products over time.

Nowadays, DELABIE's teams have mastered more than thirty highly skilled trades. This unique expertise enables the company to innovate constantly and adapt its products to the needs of the market.

All DELABIE's products are quality controlled at every stage of manufacturing and are constantly subject to rigorous testing.

Total control of the production process guarantees delivery times are kept to a minimum. DELABIE's clients do not wait!
