

# TAP CONTROL SYSTEM KIT

1 Station - Wave On

AT07-010

## PRODUCT NUMBER

AT07-010

## TECHNICAL DATA

|                       |                                                                            |
|-----------------------|----------------------------------------------------------------------------|
| Material              | ABS                                                                        |
| Gross weight          | 0.70 kg                                                                    |
| Type of mounting      | Wall mounted                                                               |
| Power source          | Mains                                                                      |
| Voltage               | 230V a.c.                                                                  |
| Sensor voltage        | 5V DC                                                                      |
| Valve voltage         | 12V DC                                                                     |
| Valve power           | 3W normally closed                                                         |
| Control inputs        | Sensor 1, sensor 2                                                         |
| Control outputs       | Valve 1, valve 2                                                           |
| Control configuration | Controls valves for 1 or 2 spouts, or hot and cold valves for single spout |
| Operation type        | Wave-on or tactile sensor (sold separately)                                |
| IP rating             | 54                                                                         |
| Current               | 0.055A                                                                     |
| Frequency             | 50Hz                                                                       |
| <b>Settings</b>       |                                                                            |
| Adjustable timing     | 6 - 20 secs (Default 6 secs)                                               |
| Purge facility        | Yes (ON / OFF) Default OFF                                                 |
| Operations lock out   | Yes (ON / OFF)                                                             |
| <b>Kit Contents</b>   |                                                                            |
| AT07-001              | Tap control system for 1 or 2 taps                                         |
| AC17-009              | Plastic valve 12v DC - 12.7mm orifice                                      |
| AC02-013              | 50mm chrome wave on sensor pack C/W 3m cable                               |
